9.  Other \_\_\_\_\_.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose a pitching machine having a curved tube, having ball storage at an upper end, and a ball rest position at a lower end; and a release assembly positioned along the ball tube for releasing the ball from the storage; a ball firing assembly positioned along the tube beyond the release assembly, so that the released ball will activate the firing assembly to launch a ball in the rest position; and a control unit for activating the release assembly and firing assembly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
